

Child Safe Code of Conduct

St Francis - Code of Conduct

Central to the mission of St Francis is an unequivocal commitment to fostering the dignity, self-esteem and integrity of children and young people and providing them with a safe, supportive and enriching environment to develop spiritually, physically, intellectually, emotionally and socially.

Purpose

This Code of Conduct has a specific focus on safeguarding children and young people at St Francis against sexual, physical, psychological and emotional abuse or neglect. It is intended to complement child protection legislation, school policies/procedures and professional standards, codes or ethics as these apply to staff and personnel.

All staff, volunteers, contractors, clergy and Advisory Board members at St Francis are expected to actively contribute to a school culture that respects the dignity of its members and affirms the Gospel values of love, care for others, compassion and justice. They are required to observe child-safe principles and expectations for appropriate behaviour towards and in the company of children, as noted below.

Acceptable behaviours

- All staff, volunteers, contractors, clergy and Advisory Board members are responsible for supporting the safety of children by:
- adhering to the school's child-safe policy and upholding the school's statement of commitment to child safety at all times
- taking all reasonable steps to protect children from abuse
- treating everyone in the school community with respect (modelling positive and respectful relationships and acting in a manner that sustains a safe, educational and pastoral environment)
- listening and responding to the views and concerns of children, particularly if they are telling you that they or another child have been abused or that they are worried about their safety/the safety of another child
- promoting the cultural safety, participation and empowerment of Aboriginal and Torres Strait Islander children (for example, by never questioning an Aboriginal and Torres Strait Islander child's self-identification)
- promoting the cultural safety, participation and empowerment of children with culturally and/or linguistically diverse backgrounds (for example, by having a zero-tolerance policy towards discrimination)
- promoting the safety, participation and empowerment of children with a disability (for example, during personal care activities)

- ensuring as far as practicable that adults are not alone with a child
- reporting any allegations of child abuse to the school's leadership (or Child Safety Officer if the school has appointed someone to this role).

- understanding and complying with all reporting obligations as they relate to mandatory reporting and reporting under the Crimes Act 1958 (Vic)
- reporting any child safety concerns to the school's leadership (or Child Safety Officer if the school has appointed someone to this role)
- if an allegation of child abuse is made, ensuring as quickly as possible that the children are safe.

- have any online contact with a child (including by social media, email, instant messaging etc.) or their family (unless necessary e.g. by providing families with newsletters or assisting students with their school work)
